

WE ARE DELIVERING A QUANTUM LEAP IN THROUGHPUT

Bringing the value of
3D printing to **real
manufacturing**

We can print 3,000 of these parts in 8 hours

15X FASTER
than the nearest
competition

Example: Bell Crank Production | Dimensions: 114 x 28 x 10 mm | Timeframe: 8 Hours

Does not include post-processing timelines

MAKING THE WORLD. FASTER.
